

Local Parking and Meeting Point - Beacon Park, Lichfield

(prices correct as of May 2023)

Car park post codes and fees are given in the dotted boxes. Greenhough Road is recommended (cheapest and largest).

Some visitors to Beacon Park do use Morrison's Car Park as their sign says '3 hour free parking for Morrison's customers'. This would be in square A1 on our map. Their post code is: WS13 7QP.

Please meet by the public toilets (B4) - doesn't sound very glamorous but is practical and near the changing rooms if shelter is needed.

Any problems or advice on location, please ring Ruth on 01543 308869 or the Ranger Station on 01543 308867.
